Candidate's Statement (reproduced exactly as submitted):

I have loved Soldotna since my family moved here in 1961.

I love our Senior Citizens, Veterans and Schools. Our quality of life is greatly enhanced by our Churches, Commercial Diversity, Hospital, Airport, Visitors and Health Care Providers.

I love our talented students and athletes, our parks, our generous residents and our geographic place of importance being at the "Y" and on the great Kenai River. All of these things make Soldotna a world-class destination along with our great Chamber of Commerce.

I believe in American Exceptionalism and Civic Duty. Residents past and present make the Kenai Peninsula a special place gifted to all who dwell here. Soldotna is my home forever.

I will always be concerned with efforts to increase taxes. The reality of five years of consecutive increases in water and sewer services bothers me. Our elders and those with young families especially need lower taxes. Less taxation should be our goal.

Property taxes need to be reduced not increased. Our financial situation is strong. Lower taxation is always a boost for local businesses and local residents.

Respectfully, I ask PLEASE VOTE CAREY. I will serve with competence, compassion and experience, SO HELP ME GOD.
